Sir

Sub: Additional conservancy staff to Vadigenhalli Municipality- recommends the-

I have the honour to forward herewith report No.Mis. C.24/45-46 dated 26/10/45 received from the President, Vadigenahalli Municipality on the above subject and to state that the Municipal Council at their meeting held on 26/9/45 have resolved to employ an additional male sweeper in view of the inadequacy of conservancy staff to keep the Town neat and tidy.

It is reported that there are at present male and 2 female sweepers in the municipality. Considering the area and the population of the Town, the Present staff is too small and cannot cope with the volume of work connected with cleaning. The report of the President is self explanatory.

In the circumstances reported by him, I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council to increase the strength of the conservancy staff by one male sweeper. Necessary provision has been made in the current years' budget of the Municipality to meet this item of expenditure.

I have the honour to be, Sir,
Your most obedient servant,

DEPUTY COMMISSIONER
